We manufacture, import supply Beauty Salon & Spa products including Salon Equipments, Furniture, Accessories and Cosmetics. Along with in-house facility, our association with International companies enables us to deliver quality products.

## About Us

**Beauty Solutions** is a one stop solution for all you salon and spa requirement. We manufacture, import & supply Beauty Salon & Spa products including salon equipment, furniture, accessories and cosmetics. Along with in-house facility, our association with international companies enables us to deliver quality products.

We are an extension of the Jacko Group and are operating in this industry since **1962**. Making the best utilization of all available resources including long years of industry experience, expert manpower, international market exposure, association with international manufacturers and in-house facility, we offer a vast range of ergonomically designed salon furniture, hi-tech spa equipment, accessories, dermatologically approved cosmetics, beauty spa products and salon products.

The company has a well established Import Division having tied up with the world renowned cosmetic companies like Kapriatti, BOA, Holiday etc. Apart from sourced cosmetics and accessories, we also offer a vast line of salon chairs, backwash units, relaxers, pedispas, salon beds, trolleys etc. which are a perfect combination of style and comfort.
